

**Auction
Bidding
Instructions**

Placing a bid in the auction

1. Following registration, you will have received a Registration Confirmation email containing your Auction Code and a link to the auction. Once the auction has started you may click on the link, and you will be taken to a screen requesting your personalised access code:

storengy Home

Welcome to the Storengy Auction Zone

Please enter the unique auction code you have been provided to submit a bid.

Please note bids may only be submitted during the defined auction time.

* Enter Access Code

Next

2. Enter your code at the prompt and click **Next**
3. On the next screen submit your price in **pence per therm**, the maximum number of bundles you would like at that price, and the minimum number of bundles that you would be willing to accept at that price. Then click **Submit Bid**

Submit Bid for Auction

Please note, this bid will count toward your company limit on bids for this auction.

* Price ⓘ

* Minimum Bundles

* Maximum Bundles

Submit Bid

4. You will see a confirmation that your bid has been successfully submitted, and you will receive an email Bid Confirmation of your bid. You can click on **Place another bid** and add additional bids until you reach the bid limit.

Bid Submitted Successfully

Great news your bid has been successfully placed. The winning bids will be confirmed when the auction finishes.

Place another bid

5. If you need to cancel a bid, then please click on **Request Bid Cancellation** in your Bid Confirmation. You will be taken to the below screen, click **Next**

Request Bid Removal

If you would like to request a bid be removed from consideration during the auction please fill in the information on the next screen.

Next

6. On the request bid removal screen Select the reason and add a comment, then select **I agree** and click **Next**

Request Bid Removal
